Zurich, 4th of November 2019

Dear supporters/donors and friends of SOAR,

As announced in our save-the-date message we sent you a few weeks back, the SOAR Zurich committee is pleased to invite you to the Fall 2019 SOAR-Charity Event. Our goal is to support young children and teenagers in need through language, music, sport and motivational activities.

You can look forward to a mouth-watering “Apéro riche” with a choice of famous Armenian and Lebanese mezzes. One glass from new and upcoming Armenian wines is also included in the minimum donation.

Feel free to share this invitation with those who would be interested to join us.

During our evening of networking, we will share SOAR activities highlights, and present some moments of live music performed by Franziska Kannewischer, a skilled flute player joined by young talents.

Date: **Wednesday, 4th of December at 6.00 p.m.**

Location: **V-Bar, Freischützgasse 10, 8004 Zürich**
